

AMERICAN DRAGON  
"Body Guard Duty"  
(7W14Ñ114)

TEASER:

FADE IN:

EXT. BOULDER BALL PLAYING FIELD - NIGHT

ON JAKE and FU DOG, next to each other in the stands (NOTE:  
POSSIBLY RE-USE STANDS SHOT from FU DOG TAKES A WALK). Jake  
sits, Fu Dog stands, yelling angrily onto the field.

1 FU DOG

You call that a block!? My  
grandmother could take that guy  
out. And she's fourteen hundred  
years old!

AN EXTREMELY OLD WOMAN version of FU DOG stands in front of  
them, turning around, angrily

2 OLD WOMAN FU

Hey! I'm only thirteen hundred and  
ninety two!

Fu Dog throws a handful of popcorn at her.

3 FU DOG

Down in front, Grandma!

WIDEN TO REVEAL they are sitting in the stands watching  
Boulder Ball (a dodge ball-type game in which teams of CO-ED  
OGRES on roller-skates hurl boulders at each other).

Without missing a beat, Fu Dog sits back down and calmly

explains the rules of the game to Jake.

4 FU DOG

So anyway, if the Rushing Ogre  
clips the Left Wing, he gets six  
free throws and -- INCOMING!

FU DOG yanks Jake over to the right, (everyone else in the  
stands clears a small space as well) to allow a BOULDER to  
SMASH into the stands just to the left of Jake.

5 JAKE

Whoa. Does anyone ever get hit by  
those things?!

Fu Dog slaps Jake on the back, happily.

6 FU DOG

Kid! This game is about team  
building and sportsmanship, not  
violence and--

Suddenly Fu Dog stands again, yanking Jake to his feet. An  
excited Fu does fighting and kicking motions with his paws.

7 FU DOG

Ohh! Fight! Fight!

ON THE FIELD - as TWO REFS try to break up two wrestling  
Ogres, they begin fighting as well. A beat, then GRANDMA FU  
dives on top of the pile, whacking everyone with her cane.

8 FU DOG

Tempers are high. The winner of  
this game goes on to the Ogre Bowl,

the granddaddy of all Boulder Ball  
games...

(then calling)

Guard your grill, Grandma!

A goes off. Fu Dog wipes his brow, exhausted.

9 FU DOG

Whoo! And that was just the first  
period!

10 JAKE  
How many periods are there?

11 FU DOG  
Well, let's see... we're playing  
winter rules, so... only seventeen.

Jake takes, shocked.

WIPE TO:

EXT. STANDS - LATER

Fu Dog munches on his popcorn excitedly watching the game.

Next to him Jake SLEEPS face down in his own popcorn bucket.

12 FU DOG  
Can you believe it? Quadruple  
overtime! This is history, kid!  
Maybe it'll end in a tie!

13 JAKE  
Fu Dog shakes his head.

14 FU DOG  
Pfft. Amateur.

15 PROFESSOR ROTWOOD (V.O.)

MISTER LONG!

CUT TO:

INT. PROFESSOR ROTWOOD'S CLASSROOM Ñ DAY

Professor Rotwood his YARD STICK on Jake's desk,  
causing a sleeping Jake to snap awake.

16 JAKE  
Ogre foul!

Jake - wakes fully up, realizing where he is.

17 PROFESSOR ROTWOOD  
Nein! The correct answer is  
"cyclops."

Professor Rotwood turns and paces before class.

18 PROFESSOR ROTWOOD  
Mr. Long, Friday's test counts for  
over fifty percent of your grade.  
If you don't shape up by then you  
will get the distinct pleasure of  
seeing me in Bermuda shorts and  
flippy-flop sandals.

Jake takes, confused.

19 JAKE  
Meaning..?

Professor Rotwood his YARD STICK on Jake's desk  
for emphasis, causing Jake to JUMP BACK.

20 PROFESSOR ROTWOOD  
Summer school!!!

21 JAKE  
Aw, man.

SMASH CUT TO:

OPENING CREDIT SEQUENCE

ACT ONE

INT. GRANDPA'S SHOP Ñ DAY

Jake thumbs through mythology books, looking pleadingly at Fu Dog.

22 JAKE  
Come on, Fu, just a little memory  
potion to get me by until after I  
pass the test.

23 GRANDPA  
Ah, Jake, cutting one corner just  
leads to two more.

Grandpa holds up a piece of paper... he snips off one of the  
corners, and points to the two new corners now formed.

Jake deadpans:

24 JAKE  
You just cut up my homework.

Grandpa nods.

25 GRANDPA  
The scissors of life may cut  
through many things... but... um...  
(then giving up)  
Do not question your dragon master!  
I have an important mission for  
you.

CUT TO:

EXT. MAGUS BAZARR - DAY

CLOSE ON SARA smiling wide.

26 SARA  
Hi, Jake! Member us? You will!

WIDEN TO REVEAL KARA and SARA standing on a doorstep at Magus  
Bazaar. Jake, Grandpa and Fu Dog stand in front of them.

27 JAKE  
Oh, yeah... the oracles twins.  
So... are you the one who only sees  
good stuff or only sees bad stuff?

28 SARA  
You're going to get a nasty case of  
poison ivy all over your head in  
July. A pox upon your face! Tee  
hee!

29 JAKE  
Right. Bad stuff.  
(then to Kara)  
That must make you the one who sees  
good stuff.

30 KARA  
You're cavity free this year.

Jake takes, thrilled...

31 SARA  
Root canal next year!

Jake's face falls.

32 GRANDPA  
Jake, the Oracle Twins are in grave  
danger. Someone is after them.

Grandpa rips a WANTED POSTER off a nearby post. It shows  
HERMAN the goblin on it.

33 JAKE  
Herman? What does the Goblin crime  
boss want with Oracle twins?

34 GRANDPA  
He plans to capture the twins and  
force them to make predictions on  
the outcome of the Ogre bowl.

Fu Dog scoffs and rolls his eyes in disdain.

35 FU DOG  
Using a magical gift to try and  
turn a profit. Will those Goblins  
stop at nothing?!

As Grandpa turns to put the wanted poster back on the post,  
Fu Dog quickly shoves the SPORTS PAGE in at the twins.

36 FU DOG  
(sotto)  
Check out the Centaur racing page.  
Anything jump out at you? Anything?  
Throw me a bone, will ya?

37 GRANDPA  
Fu Dog looks up to see Grandpa  
hovering over him. He hangs his  
head, ashamed.

38 FU DOG  
I'm a baaaaaad dog.  
(then making the cell  
phone motion to twins)  
We'll talk later.

Grandpa turns to Jake.

39 GRANDPA  
Jake, as the American Dragon you  
must protect the Oracle twins until  
after the Ogre Bowl.

40 JAKE  
I'm on it. How 'bout I pick y'all  
up Friday after my mythology test?

41 GRANDPA  
No. The Ogre bowl is Friday.

42 JAKE  
But I... the test...

43 GRANDPA  
Sorry, young one, but you must find  
a way to balance your school work  
and your dragon duties.

Sara runs up to Jake throwing her arms around him in a hug.

44 SARA  
Thanks for your help! And uh,  
don't slip on the newt eyeballs!

Jake steps back from Sara, confused.

45 JAKE  
What newt eyeballs?

As Jake spins around, he knocks over a box. The box CRASHES  
TO THE GROUND, causing EYEBALLS to roll out all over Magus

bazaar.

46 FU DOG  
Man, talk about rolling your eyes.  
Hey! I got a million of them.

Jake bends down to scoop up the eyeballs.

47 JAKE  
Um, yo, if you ladies see  
everything, can't you just see  
Herman coming and make a run for  
it?

Kara and Sara bend over to help him.

48 KARA  
We can't see everything, Einstein.

49 FU DOG  
They may be descendants of the  
Oracle of Delphi, but the  
bloodlines thin after a couple of  
thousand years.

50 SARA  
(bright and cheerful)  
I just get visions. Horrible,  
disturbing visions that haunt my  
every waking moment not to mention  
my nightmares.

51 KARA  
Mine always seem to have cinnamon  
rainbows and gingham puppies in  
them. (then) I hate puppies.

52 FU DOG  
I hear ya, sister. The chewing,  
the yapping, the carpet stains...  
Blech!

WIPE TO:

EXT. NEW YORK CITY Ñ MORNING

SPUD and TRIXIE skateboard next to Jake and the twins. Trixie  
sips from a SODA. Spud plays with his yo-yo.

53 SPUD  
I knew it. We've been replaced. It was only a matter of time until you got cuter sidekicks.

Trixie looks the twins up and down, sizing them up.

54 TRIXIE  
Speak for yourself, Spud.

55 JAKE  
Yo, I told you. They're not my sidekicks, they're my job. I have to bodyguard them.

56 SARA  
We're posing as his cousins from out of town! (then to Trixie) I forgive you for spitting soda all over me.

A defensive Trixie takes.

57 TRIXIE  
What? I didn't-

58 JAKE  
Um... You didn't yet. Kara and Sara can see flashes of the future. Kara sees good stuff, Sara sees bad stuff.

Trixie reacts, excitedly.

59 TRIXIE  
Trippin'! What do y'all see about me? Come on, give Trixie a little somethin' somethin'.

Trixie sips from her soda... Kara looks Trixie and Spud up and down.

60 KARA  
You and yo-yo boy are totally going to tie the knot. Booring.

Trixie SPIT TAKES her soda all over Sara and Kara.

61 TRIXIE  
What-the-who-duh? Yo,  
that's impossible. I'm tying the

knot with Denzel!

62 SPUD  
You are? Why didn't I get an  
invitation. I knew it! It was only  
a matter of time before you  
replaced me with a cuter  
sidekick...

As the gang walks towards school...

63 GOBLIN (O.S.)  
I smell them approaching, boss!

PAN UP TO:

EXT. ROOFTOP - SAME

One of the GOBLIN HENCHMEN leans over the rooftop SNIFFING  
the air. A beat, and Kara, Sara, Jake and Trixie and Spud  
round the corner and walk onto the street below them.

64 GOBLIN  
Let's take them!

65 HERMAN  
Not now. We must wait until  
they're alone. Are you two ready?

REVEAL two HENCHMEN dressed in trendy school clothes (one  
wears a cute blonde wig.) The HENCHMEN nod.

66 HERMAN  
Blend in with them at school. Watch  
their every move. The Ogre Bowl is  
Friday. We don't have much time.

CUT TO:

INT. SCHOOL Ñ SAME

Jake enters school, flanked by Kara and Sara. Trixie and  
Spud trail close behind.

67 JAKE  
Okay, here's the drill. Tomorrow at  
2 p.m., I have like the most  
important test of my life, so from  
now until then, my one and only  
focus will be-

Jake stops short, spotting ROSE in the hallway.

68 JAKE  
Rose! Hey, what's up?

Rose spots Jake and the girls approaching. She smiles  
sweetly and waves at Jake as she passes him.

69 ROSE  
Hey, Jake!

As Rose walks on, Sara's eyes light up. She calls after Rose.

70 SARA  
Nice to meet ya! Tomorrow, you're  
gonna get a massive zit on your-

Jake yanks Sara aside, cutting her off. Rose walks on,  
oblivious.

71 JAKE  
Yo, a little advice? People in the  
human realm aren't used to Oracles  
going around predicting stuff.

72 SARA  
Uh-huh.

Sara grabs a GEEKY LOOKING BOY as he passes.

73 SARA  
Someone's going to steal your  
pudding!

74 GEEK BOY  
Not again.

75 JAKE  
Guys, please! Ix-nay the ision  
vays!

Kara grabs a nearby passing FOOTBALL JOCK by the arm.

76 KARA  
You. You're gonna be a Broadway  
star one day.

77 FOOTBALL JOCK  
I can't hide it any longer! I  
gotta dance, and I don't care who  
knows it! Attitude! Jazz hands!  
And I'm off!

He flips back his head on 'attitude', puts out his Jazz  
Hands, and kick-ball-changes away.

The Jock BRUSHES PAST the BLONDE UNDERCOVER HENCHMEN,  
accidentally knocking him on the shoulder. The Henchman  
calls after him, furious.

78 BLONDE UNDERCOVER HENCHMEN  
Hey! Watch it!

The Henchman realizes that students surrounding him are  
staring... He quickly covers:

79 BLONDE UNDERCOVER HENCHMEN  
Uh, I mean... and I was all, Bobby  
likes me not you, and she was  
all... nuh-uh. And I was all uh  
huh...

ON JAKE and THE TWINS. Jake PLOPS his head in his hand,  
horrified. Sara shrugs.

80 SARA  
We can't help it Jake. The visions  
just come to us, and we have to  
blurt them out.

Sara turns to a passing couple.

81 SARA  
Sorry about your nasty break up  
next Spring! And on prom night  
too!  
(then aside to the girl)  
Bring cab fare.

Kara turns to an annoyed Jake.

82 KARA  
It's physically impossible for us  
not to say them.

Spud nods.

83 SPUD  
Just like it's physically  
impossible for me to touch my  
tongue to my nose. See?

Spud demonstrates, straining his head back, trying with all  
his might to touch his tongue to his nose, but to no avail.  
Jake goes on, oblivious to Spud's demonstration.

84 JAKE  
Okay, fine. But maybe you could  
just... sugarcoat them a little?

85 KARA  
Also impossible. We  
can't lie.

86 SARA  
Every vision we foretell is a  
hundred percent true and certain to  
happen.

Spud, still trying to touch his tongue to his nose, falls  
over backwards.

87 TRIXIE  
No. No. That can't be true. I am  
not tying the knot with that.

WHIP PAN TO Spud, now walking in circles on the ground  
"Curly" style (lead by his tongue) as he tries to make it  
reach his nose.

88 SPUD

Finally Trixie yanks Spud up by his tongue, and thrusts it up  
one of his nostrils. She turns to the Twins, her eyes filled  
with desperation.

89           TRIXIE  
Please. Please. Tell me you've  
been wrong. Once. Just once.

Kara and Sara both shake their heads "no".

90           SPUD  
The inside of my nose tastes  
different than I thought it would.  
Kinda like chicken.

As Trixie breaks down on Jake's shoulder we...

WIPE TO:

INT. CAFETERIA - DAY

Jake sits at a table, going through flashcards with Trixie  
and Spud. Sara and Kara look on.

Spud holds up a flashcard with a picture of a FOREST NYMPH.

91           JAKE  
Forest nymph.

92           SPUD  
Nope. According to Rotwood, it's a  
Pixie.

93           JAKE  
Rotwood's wrong! It's no wonder  
I'm failing his class.

Trixie turns to the twins, distracted.

94           TRIXIE  
Yo, what about this: say, if one of  
your vision thingies didn't come  
true, then there'd be no way to  
know for sure if any of your  
visions were gonna come true.

95           SPUD  
It's like Shakespeare once wrote:  
"It is not in the stars to hold our  
destiny, but in ourselves." (then)  
I try to hold my destiny, but I've  
got a really small bladder.

96           KARA  
Look, our visions always come true.

97 SARA  
And Spud is totally going to cause  
chocolate milk to spill in  
approximately thirty seconds.

Spud takes shocked. He throws his hands up, stands and backs  
away from his tray.

98 SPUD  
Oh, yeah? Here's where you're  
visions are GOING DOWN!

99 TRIXIE  
Right on, Spud! Right on!

Spud turns and runs out of the cafeteria.

Curious, Trixie, Kara and Sara chase after him.

100 JAKE  
Wait! Where are you going?

Jake , picks up his flashcards and chases after them.

EXT. SCHOOL Ñ SAME

Spud runs out of the school, followed by Trixie, Kara, Sara  
and Jake.

101 SPUD  
See? No chocolate milk anywhere  
near me- whoa!

As Spud exits the school, he trips on a crack in the  
pavement, causing his YO-YO to fly out of his hand.

The YO-YO flies into the street where a CHOCOLATE MILK TRUCK  
SCREECHES its brakes to avoid hitting it.

As the truck SWERVES, the TANKER full of chocolate milk rolls  
off the truck, CRASHES INTO A TREE and BURSTS, splattering  
Jake and his flashcards with CHOCOLATE MILK.

ON JAKE Ñ as a WAVE of chocolate milk drenches him causing  
his flashcards to turn to mush. He simmers...

102 SPUD  
Wow. Your predictions, like,  
ALWAYS come true.  
(then to Trixie)  
I think we should honeymoon in Bora  
Bora.

WIDEN TO INCLUDE a shell-shocked Trixie who is curled up on  
the ground (sitting up) in fetal position rocking herself.

103 TRIxie  
Denzel. Denzel. Denzel. Denzel.  
Denzel...

CUT TO:

EXT. NEW YORK CITY Ñ LATER

Jake, Kara and Sara walk home from school. Jake leads the  
twins at a FAST CLIP.

Jake quickly hops over a chain link fence into an alley.

104 JAKE  
The sooner we get back to Gramp's  
shop, the sooner I can get some  
studying in. Come on. Short cut.

Kara climbs over the fence. Sara follows...

105 SARA  
Um, chain link fences and sandals  
don't really go together, Jake...

As she flings her leg over the fence, her flip flop flies off  
into the alley, splashing into a mud puddle.

106 SARA  
I shoulda seen that coming!

107 JAKE  
Why is that funny? You lost your  
shoe. That's not a good thing!

Sara waits patiently, balancing on one foot as Jake retrieves  
her sandal for her.

108 SARA  
You know what is a good thing? Ice  
cream! I mean, seriously, yum,  
right?

109 JAKE  
Wha? Ice cream? What is wrong  
with you?  
(to Sara)  
You only foresee horrible rotten  
stuff, but you're always in a good  
mood.  
(to Kara)  
And your life is nothing but  
butterflies and gumdrops, but  
you're always mad about something.

Kara shrugs.

110 KARA  
When you only see good things,  
nothing's special anymore. All the  
surprise is taken out of life.

111 SARA  
But when you see only bad stuff,  
even the smallest bit of good news  
makes you happy.

112 JAKE  
Dang. I guess I never thought of it  
that way.

Sara shrugs happily, as she takes the muddy sandal from Jake  
and slips it back on her foot.

113 SARA  
Life is too short to let a little  
bad news stop you from living.  
Oooh, speaking of bad news, Goblins  
are gonna fall from the sky! I bet  
that'll be exciting!

Just then, as Jake and the Twins turn down an empty alley,  
FIVE GOBLINS repel down the side of the buildings surrounding  
them. HERMAN and the TWO UNDERCOVER HENCHMEN steps out from  
the shadows. Herman pats his Henchmen on the back.

114        HERMAN  
Nice work.  
    (to the other goblins)  
Seize them!

As Goblins converge on Jake and the twins we...

**END ACT ONE**

ACT TWO

EXT. NEW YORK ALLEY - SAME

As Herman's Henchmen grab for the twins, Jake braces himself and goes full dragon.

115        JAKE  
Dragon up!

The twins duck behind a garbage can as Jake engages in a KNOCK-DOWN-DRAGON-OUT fight with the TWO GOBLIN HENCHMEN.

In the BACKGROUND, Sara (having foreseen it) pulls Kara casually right or left to avoid flying debris.

As Jake fights one of the goblins, another one knocks over a garbage can, rolling it at Jake.

JAKE hops up just in time, deftly log-rolling on the garbage can for a beat...

116        JAKE  
Time to take out the trash.

... before kicking it back towards one of the goblins. The goblin goes flying.

Another Goblin approaches Jake from behind. JAKE spins around just in time, knocking him into a garbage can. He kicks the can, sending the goblin SPINNING/ROLLING AWAY.

TWO MORE GOBLINS converge upon Jake.

Jake grabs the lids off nearby garbage cans in each hand and uses them as shields against the two Goblin's kicks and blows.

Finally he manages to "frisbee" the lids into the Goblins' stomachs, sending them reeling against a wall.

117 JAKE  
Put a lid on it, yo!

But as soon as those two Goblins are dispatched, five more converge upon Jake.

118 JAKE  
You Goblins don't quit!

ON SARA - as she realizes something.

119 SARA  
Oh, this entire alley is going to  
be awash with rotten fish! P-yew!

JAKE takes realizing -

As the other Goblins converge on him, he grabs a nearby DUMPSTER with 'FINICKY FRANKS FISHMONGER' written on it. He quickly dumps the DUMPSTER on it's side, causing FISH to pour out towards the approaching Goblins.

120 JAKE  
Sniff it up, Goblins!

THE GOBLINS - cover their noses, gagging.

121 GOBLINS  
The stench! It pains me!/ Curse my  
senstive nose!

Jake takes this opportunity to pick up the twins, and quickly fly them safely out of the alley.

ON A ROOFTOP where Jake lands with the twins.

122 SARA  
Thanks for saving us!

123 KARA  
And for dragging us down a dark  
alley where we were sitting ducks.

124 JAKE  
Thanks for the fish tip. I don't  
know if I coulda taken out the  
goblins without it.

Sara shrugs.

125 SARA  
I just call 'em like I see'em.

126 KARA  
Speaking of seeing, you're going to get number four on your mythology test right. Argonauts. Those guys were totally overrated if you ask me.

Jake takes in realization.

127 JAKE  
Uh, did you just have a vision about the right answers to my mythology test?

128 KARA  
Looks that way.

129 JAKE  
I'd kiss you if I didn't think you'd slap the living daylights out of me.

130 KARA  
Good call.

131 SARA  
I like kisses!

WIPE TO:

INT. GRANDPA'S SHOP Ñ AFTER SCHOOL

Jake sits across a table from the twins, his mythology book open in front of him.

132 JAKE  
Okay, just clear your minds, and gimme some more visions from the test. It's tomorrow. Two o'clock.

133 SARA  
Jake, we can't ask for visions to come, they just do-Ohhh! Spud's going to get number twelve wrong!

134 JAKE  
What does he answer?

135 SARA  
True.

Jake quickly makes notes on a piece of paper.

136 JAKE  
Awesome! Four is Argonaut. Twelve  
is false. Keep 'em coming...

Fu Dog plops down next to him, the sports page in his hand.

137 FU DOG  
And while you're at it, any  
thoughts on the Ogre bowl? Papa  
needs a new pair of shoes.  
(then)  
Well... they're not real shoes,  
they're like paw socks that protect  
your pads.

138 JAKE  
Fu! Don't distract them.

Jake holds up his mythology book for them to see.

139 JAKE  
Okay, let's talk about the essay  
section.

140 GRANDPA (O.S.)  
How's it going in here?

REVEAL GRANDPA standing in the doorway. Jake tucks his  
mythology book behind his back. Fu Dog quickly spreads the  
paper down on the ground and sits on it.

141 JAKE/FU DOG  
Great!

142 FU DOG  
Just practicing my paper training.  
Ho! Talk about your yellow  
journalism!

143 SARA  
We're just helping Jake cheat on  
his mythology test.

144 JAKE  
Wha? No. Not cheat...uh...

Grandpa's brow furrows.

145 GRANDPA  
Jake! Remember! The easy way is  
not always the best way. When you  
cut corners..

Grandpa picks up Jake's school book and big pair of scissors.  
Jake quickly interrupts him, yanking the book out of his  
hands.

146 JAKE  
I know! I know!

WIPE TO:

EXT. SCHOOL - MORNING

Jake follows the twins towards the school building. They  
pass Professor Rotwood.

147 JAKE  
Yo, Mister Rot-

148 PROFESSOR ROTWOOD  
Professor!!!

149 JAKE  
Yeah, I just wanted to tell you,  
I'm looking forward to your test  
today. But uh, you might have to  
invent a grade higher than an A for  
me! .

Rotwood gives Jake an odd glance.

Jake pats him on the back and MOON WALKS away.

Kara, Sara and Jake continue towards school, passing...

THE UNDERCOVER HENCHMEN, who loiter under a nearby tree. In  
the BG, students pour into the school building.

150 BLONDE UNDERCOVER HENCHMEN  
The Ogre bowl is this afternoon. We  
have to get those twins.

Then, as two girls walk by, looking them up and down  
strangely:

151 BLONDE UNDERCOVER HENCHMEN  
What're you looking at, sister? You  
think you're all that? That's  
right, keep walking honey! Bobby's  
mine! You hear me! Mine!

The HENCHMEN casually join the flow of students entering  
school.

CUT TO:

INT. CAFETERIA - DAY

Jake, Kara and Sara sit at the cafeteria, eating.

152 JAKE  
Hey, thanks again for the tip about  
the skunked meatloaf.

In the background, two kids clutch their stomachs and run out  
of frame.

153 SARA  
No problem!

Just then, Trixie and Spud sit down, their trays full of  
food. Spud has a big pile of onion rings on his plate.

154 TRIXIE  
I'm just saying, you know that  
onions give you heartburn.

155 SPUD  
It's my life, woman!

156 TRIXIE  
Oh, it's your life? What about the  
life we're going to build together?  
What about little Chantara and  
Denzelina? I'm supposed to tell  
them that Daddy can't take them to  
gym-arama, 'cause he's burpin' up  
onions?

Spud takes. Finally he SIGHS, and dishes his onion rings  
onto Trixie's plate.

157 TRIXIE  
That's what I'm talking about.

Suddenly, Sara GASPS, hit by a vision.

158        SARA  
That Rose girl!

159        JAKE  
What up? Is she okay? Did she go  
for the meatloaf?

160        SARA  
No. But someone's gonna take the  
last pudding before she gets it.

Jake looks over. He sees Rose in the cafeteria line, a few people in front of her, and... DRAMATIC PAN TO... only a few puddings.

As people go through the line grabbing puddings, Jake cocks an eyebrow, getting an idea.

161        JAKE  
Oh, are they?

Jake darts up, and cuts off the GEEK BOY in front of Rose, just before he reaches for the last pudding.

162        GEEK BOY  
Hey, my pudding!

Jake grabs a stalk of broccoli and puts it on the boy's plate.

163        JAKE  
Here, this is better for you  
anyway.

164        GEEK BOY  
You're right.

ON JAKE AND ROSE as Jake suavely puts the pudding on Rose's tray.

165        JAKE  
Pudding m'lady?

Rose smiles at Jake, touched.

166 ROSE  
You got me the last one!

167 JAKE  
Hey, that's what friends are for.

As Rose smiles at Jake...

ON TRIXIE and SPUD at the table with Kara and Sara. They watch Jake and Rose, confused.

168 TRIXIE  
Wait a minute... you said someone else was gonna take the last pudding.

169 KARA  
Someone did. Jake.

170 TRIXIE  
Yeah, but... if you hadn't of...he wouldn't have...

171 SPUD  
My head hurts.

172 SARA  
Our visions always come true, just not always in the way you expect.

PAN TO - the two Henchmen sitting nearby, watching this scene. The blonde wigged Henchmen smiles a wicked smile.

173 BLONDE UNDERCOVER HENCHMAN  
Now's our chance. Quick before dragon boy comes-

WIDEN - As Jake sits back down at the table with the twins.

174 JAKE  
She digs me!

The henchmen slams his fist on the table, furious, causing his glass of milk to splash up in his face.

175 BLONDE UNDERCOVER HENCHMAN  
Curses!

The Henchman realizes that students surrounding him are staring... He quickly covers:

176 BLONDE UNDERCOVER HENCHMEN  
And like, you know Bobby'll totally  
dump Shelly as soon as her roots  
show.... Dye job, much?

CUT TO:

INT. SCHOOL HALLWAY - DAY

Jake and the twins walk down the hallway.

177 JAKE  
So, I think we're onto something  
with this Rose thing. After we  
take the mythology test, maybe we  
can go envision some stuff about  
her?

178 SARA  
Pixie schnitzel!

179 JAKE  
That's what I'm talking about-  
(then) what the heck is Pixie  
schnitzel?

180 SARA  
I just got a strong vision of us  
smelling Pixie Schnitzel. Ohhh!  
And Rose is totally going to trip  
downstairs in like... thirty  
seconds.

181 JAKE  
I'm on it!

Jake takes and darts away from the twins towards the  
staircase, leaving the twins alone.

The TWO UNDERCOVER HENCHMEN step out from behind a corner...

CUT TO:

INT. HALLWAY - SAME

Jake bounds down a staircase, just in time to knee-slide in  
front of Rose, and catch her as she trips in the hallway.  
Rose falls right into Jake's arms.

182 ROSE  
Whooooaa!.... oh.

Rose looks up to see Jake smiling down at her.

183 JAKE  
Watch your step there.

184 ROSE  
You always seem to be at the right  
place at the right time these days.

Jake smiles at Rose, realizing that their faces are just  
inches apart. As their eyes lock...

185 JAKE  
Speaking of the right time...

Jake leans in to KISS Rose. SUDDENLY the  
startling them apart.

As students trickle out of the hallways into their  
classrooms, Rose and Jake awkwardly get up.

186 ROSE  
I uh... thanks for the pudding.

As Jake watches Rose disappear into a classroom...

187 PROFESSOR ROTWOOD  
Care to join us for the test, Mr.  
Long?

WIDEN TO REVEAL PROFESSOR ROTWOOD standing behind Jake, his  
arms folded.

188 JAKE  
Uh, I, uh... My... uh, cousins were  
supposed to sit in on... Whaaaaa!

Rotwood Jake into his classroom by the back of his  
shirt, the door behind them.

DISSOLVE TO:

INT. ROTWOOD'S CLASSROOM - LATER

Jake works on the test, suddenly, he smacks at the back of

his neck, annoyed.

189            MESSENGER FAIRY (O.S.)  
Hey, watch it!

Jake takes, seeing a MESSENGER FAIRY hovering by his ear.  
He quickly holds up his TEST PAPER, shielding the fairy from  
Rotwood's line of vision.

190            JAKE  
Uh, this is sort of a bad time.

191            MESSENGER FAIRY  
You're telling me. Wait till you  
hear this message from the Oracle  
Twins.

The messenger Fairy opens a small bottle and small holograms  
of Kara and Sara's heads fly out of it and appear in front of  
Jake.

192            SARA  
The bad news is we're going to get  
nabbed by Herman. Hee!

193            KARA  
The good news is you're going to  
rescue us. My hero.

194            SARA  
The bad news is you're going to get  
hit by a boulder going 180 miles  
per hour. Wow, that's gonna hurt!

As the twin's holograms dissolve into nothing, Jake takes,  
shocked.

Jake quickly closes his test paper, drops it on Rotwood's  
desk and dashes out the door.

195            JAKE  
Here. Gotta go to the bathroom.

196            PROFESSOR ROTWOOD  
You realize that if you leave, you  
will fail this test-

Jake is already out the door.

Professor Rotwood shrugs.

197            PROFESSOR ROTWOOD  
Must have had the meatloaf.

CUT TO:

EXT. HALLWAY - SAME

Jake rushes out to the hallway.

198            JAKE  
Kara! Sara!

He stops short when he sees... Sara's broken flip flop in the hallway. He takes, horrified.

**END ACT TWO**

**ACT THREE**

INT. GRANDPA'S SHOP - DAY

Jake rushes into Grandpa's shop. Every TV in the place is tuned into OGRE BOWL pre-show. Two Ogre Announcers in green sports coats sit at a desk. One Ogre reaches over and rubs the bald head of the Ogre next to him.

199            OGRE ANNOUNCER  
The Bronx Droolers and the Jersey  
Knuckledraggers have been tossing  
boulders at each other for years.  
Hey, maybe they should just throw  
around JT's big bald head.

200            FU DOG  
Kid! You're just in time. We gotta  
get over to Madison Square-

As Fu Dog rushes out the door, Jake grabs him by the scruff of his neck.

201            JAKE  
Wait.

Fu Dog spins on his heels for a beat, Jake holding onto his stretched out neck fur.

202            GRANDPA  
Uh, Jake. Where are the Oracle  
Twins?

Jake winces.

CUT TO:

EXT. MADISON SQUARE GARDEN - NIGHT

A "CLOSED FOR RENOVATIONS" banner hangs on the building.

Jake, Fu Dog and Grandpa run up.

203 GRANDPA  
Herman never misses the Ogre bowl.  
I'm sure the twins are in there  
somewhere.

204 JAKE  
Closed for renovations?

205 GRANDPA  
Code for secret 'magical event  
inside.'

206 FU DOG  
Trust me, by the time the Ogre bowl  
is over, they'll need to renovate.

Grandpa, Fu Dog and Jake continue into the stadium.

CUT TO:

INT. MADISON SQUARE GARDEN Ñ CONTINUOUS

Jake, Grandpa and Fu Dog enter. Two teams of Ogres on  
roller skates hurl boulders at each other on the field.

207 FU DOG  
We're never gonna find 'em in this  
place. They could be anywhere.

208 JAKE  
Pixie Schnitzel.

JAKE POINTS TO a PIXIE SCHNITZEL stand.

209 FU DOG  
Kid, now is not the time to be  
thinking about that delicious,  
steaming fresh Schnitzel that  
pixies serve - okay just a quick  
one.

210 JAKE  
No, Pixie Schnitzel. Sara had a  
vision of them smelling it. There!

PAN UP THE SMELL lines from the Pixie Schnitzel stand to a  
luxury box just above the stand. Kara and Sara can be seen  
in silhouette through the lightly smoked window.

INT. LUXURY BOX - SAME

CLOSE ON SARA and KARA Ñ a PIXIE SCHNITZEL (a sausage looking thing, dipped in batter and fried, with a sparkly glow to it) is being waved under their noses by one of the henchmen.

211 HENCHMAN  
Come on. Yum!! Tell us who's  
going to win the game and you'll  
get all the Pixie Schnitzel your  
heart desires.

Kara reaches for the pixie schnitzel...

212 KARA  
Great, thanks...

...and shoves it up the Henchman's nose defiantly. The  
Blonde Henchman gets in her face, still in Undercover mode.

213 BLONDE UNDERCOVER HENCHMEN  
Okay, like, sorry, rude girl. I  
don't know who you think you are  
but...

Another Henchman pulls him off.

214 HERMAN  
Frank! It's over. You're not in  
school anymore.

The Henchman drags Blonde Henchmen out of the room.

215 BLONDE UNDERCOVER HENCHMEN  
(as he's dragged off)  
You'll regret going out with  
Shelly! You hear me, Bobby? Beauty  
is only skin deep. Skiiin  
deeeep!!!!

216 HERMAN  
That's enough!

Herman FLIPS OVER the table in front of the girls, causing  
them to start.

217 HERMAN  
It's not too late for some serious  
half time bets, so you ladies  
better start foreseeing some Ogre  
Bowl action or else.

218 JAKE (O.S.)  
Or else, what, Hermie?

REVEAL GRANDPA, JAKE and FU DOG having SMASHED through the  
glass window of the box. Jake and Grandpa are FULL DRAGON.

219 JAKE  
Just let the twins go.

220 HERMAN  
Never! I'm going to make a gold  
mine off these Oracles.

The GOBLINS dive at Jake and Grandpa. As Jake fights off the  
Goblins, he continues his conversation with Herman.

221 JAKE  
They're not just oracles-- they're  
people! You can't just use them  
for your own selfish reasons--

222 SARA  
Ohh! Speaking of that, how's Rose?

223 JAKE  
She's great, thanks!  
(then realizing)  
Er... Wait, I didn't use you... I  
mean...

224 HERMAN  
Enough chitter-chatter! It's time  
to place some half time action.

Herman grabs the twins and darts out the door.

Jake and Grandpa dispense of the Goblin Henchmen and follow.

225 JAKE  
Fu! Let's go!

REVEAL FU - guiltily shoving Pixie Schnitzel down his mouth.

Jake grabs Fu's Fur and yanks him out of the room.

INT. MADISON SQUARE GARDEN Ñ CONTINUOUS

HERMAN drags Kara and Sara down a dark flight of stairs, Jake, Fu and Grandpa quick on their heels. They pass through a tunnel and emerge at the sidelines of the Ogre Bowl playing field!

Without looking back, Herman drags the twins right in the middle of the Ogre Bowl playing field.

Boulders WHIZ dangerously close to the twins as Herman weaves in and out of the roller-skating Ogres.

Jake rushes past a sidelines announcer.

226 OGRE ANNOUNCER  
Those boulders are really picking up speed now. Some of them have been clocked at over 180 miles per hour.

JAKE - freezes in his tracks, remembering...

227 JAKE  
Wait... 180 miles per hour? If I go out there, I'll--

He watches as BOULDERS fly about dangerously.

228 SARA (O.S.)  
Jake!!!

Jake looks up to see Sara, Kara and Herman about to be hit by a flying boulder. He steels himself.

229 JAKE  
Here goes nothin'!

JAKE quickly dives into the playing field, kicking the boulder out of the way just before it hits the twins.

230 OGRE ANNOUNCER  
Dragon on the field! Dragon on the field!

JAKE - weaves through boulders and skating Ogres, chasing

Herman and the twins.

A BIG ROLLER-SKATING OGRE whizzes by Jake. Thinking fast, Jake grabs onto the back of the Ogre, hitching a ride.

ON HERMAN - running, the twins in tow.

231 JAKE  
What's your hurry, Hermie?

REVEAL - JAKE, casually rolling by on the back of the OGRE.

Jake hops off the Ogre, and kicks HERMAN away from the twins.

HERMAN flies into an OGRE, sending him rolling back into a DOMINO effect of Ogres.

Jake scoops up a twin in each of his arms and flies them towards the sidelines, skillfully dodging flying boulders.

232 FU DOG  
Kid! Behind you!

Jake quickly turns to see a boulder flying right at him.

He quickly throws the TWINS into The GIANT INFLATABLE OGRE MASCOT (tethered down, so we read it's a balloon).

SLO MO - JAKE looks back to see the boulder approaching.

SLO MO - ON THE BOULDER - As it nears Jake

SLO MO - As JAKE BRACES himself for the hit... .

BACK TO FULL SPEED - as the boulder taps him on the back harmlessly.

Jake spins around, confused...

233 JAKE  
Wha?

Not looking where he's going he CRASHES right into a the sidelines.

BLACK  
FU DOG comes into focus, staring down at CAMERA.

234 FU DOG  
Jake! Talk to me!

ANGLE ON THE SIDELINES, where Jake (NOW IN HUMAN FORM) slowly comes to, surrounded by Grandpa, Fu Dog and The Twins. Jake quickly panics.

235 JAKE  
I gotta get outa here! I'm gonna  
get hit by a boulder going 180  
miles per hour.

Fu Dog chuckles at Jake.

236 FU DOG  
Already happened, kid.

A little help over here?

The TWO OGRE ANNOUNCERS walks up to Jake.

237 OGRE ANNOUNCER  
Let's take a look at that last  
play.

CUT TO:

EXT. OGRE BOWL FIELD - FLASHBACK

STILL SHOT - of Jake, flying from the boulder (a funny  
TERRIFIED look on his face.)

A YELLOW line draws on the screen, circling the boulder.

238 OGRE ANNOUNCER (V.O.)  
The boulder here was going 180  
miles per hour.

The yellow line draws an X over Jake,

239 OGRE ANNOUNCER  
But Jake was flying at a cruising  
speed of 179.

The scene MOVES, replaying the boulder hit. An arrow is  
drawn on the path of the boulder and the words "1 mph" are  
written under the arrow.

240 OGRE ANNOUNCER  
That makes the relative speed of  
the boulder a mere one mile an  
hour. Nothing but a harmless tap.

BACK TO SCENE - Jake takes this in. The Ogre Announcer rubs  
his co-announcer's bald head.

241 OGRE ANNOUNCER  
Now, if J.T.'s bald head had hit  
you, that would've been another  
story

Fu Dog shoves the Ogre Announcers away.

242 FU DOG  
Alright, now get outa here.

As Jake recovers, Sara dives at him with a hug.

243 SARA  
Thanks for saving us!

Jake pulls Sara's sandal out of his pocket.

244 JAKE  
I believe this is yours?

245 KARA  
I'll take that.

Kara takes the shoe and begins hitting Jake on the shoulder  
with it repeatedly.

246 JAKE  
Hey! Ow! Ow! Stop! That's the  
thanks I get for saving your life?

247 SARA  
If you hadn't abandoned us in the  
hallway, you wouldn't have had to  
save our lives in the first place.  
(then) Not that we don't totally  
appreciate it!

As Kara continues to whack Jake, we...

DISSOLVE TO:

EXT. MAGUS BAZAAR Ñ NIGHT

Jake, Grandpa and Fu Dog walk through Magus Bazaar.

248 JAKE  
So, uh. I guess I wasn't the best  
body guard in the world.

249 KARA  
Well, you did give up your test to  
save us- Speaking of the test...

250 JAKE  
Yes! Good news! I passed!?

251 KARA  
Actually, everyone's going to have  
to take a whole new test. Something  
involving bad meatloaf and an ugly  
blonde girl stink bombing Shelly's  
locker. Eh, you'll find out  
tomorrow.

252 SARA  
Listen. We owe you one for the  
whole life saving thing. If you  
want, we can hang out a few more  
days... see if any visions from the  
new test hit us.

253 JAKE  
Thanks but, no more short cuts. I  
think I'll take care of this one  
myself.

They reach Kara and Sara's door. Sara smiles at Jake.

254 SARA  
Well, thanks for risking your life  
to save us --knowing you were gonna  
get hit by that boulder and  
everything.

Jake shrugs.

255 JAKE  
Hey, life's too short to let a  
little bad news keep you from  
living, right?

Sara nods.

256 SARA  
That's a super-duper attitude! You  
should keep that in mind when you  
find out the truth about Rose.  
(beat) Well... 'night!!

As Sara SHUTS her door, Jake takes, shocked...

Jake pounds on their door.

257 JAKE  
What? What truth? Guys? Guys?!

DISSOLVE TO:

EXT. NEW YORK CITY - DAY

Trixie and Spud walk down the street.

258 SPUD  
I'm just saying you could've  
called. I kept dinner warm for you  
all night.

259 TRIXIE  
Yo, I ate dinner at home.

260 SPUD

YOU ALWAYS EAT DINNER AT HOME!!! WE

NEED TO COMMUNICATE IF WE WANT THIS

THING TO WORK-  
(then)  
Hold up. I gotta tie my shoe.

Spud leans down to start tying his shoe, the yo-yo still in  
his hand.

261 SPUD  
Does the rabbit go through the hole  
or under the...

Trixie frustrated bends down to help him.

262           TRIXIE  
Urgh! Gimmie that. We're tying  
this thing in a knot once and for  
all!

Trixie dives down, tying Spud's shoes in impossible to untie  
triple knots. The yo-yo gets tied up the mess.  
Suddenly Spud takes in realization.

263           SPUD  
Trix! We tied the knot. The  
prediction! That's what Oracle  
girl was talking about. We tied the  
knot!

264           TRIXIE  
You mean we don't have to-

265           SPUD  
The wedding's off, Dudette.

Trixie and Spud hug each other, in a celebratory dance.

266           SPUD/TRIXIE  
Hear that ladies of NYC, Spud is  
once again a free man! / Denzel,  
honey, keep the light on for  
Trixie!

Suddenly, Spud takes concerned.

267           SPUD  
Does this mean we don't get to go  
to Bora Bora?

As Trixie shoots him a look, we...

FADE OUT:
